Dear Parent/ Carer,

Your child has access to the app 'Times Tables Rockstars' (TT Rockstars). The app allows children to practice recalling their multiplication and division facts. They should practice recalling these facts daily, as it will help them to improve their number fluency. Every child has a login so they are able to access the website at home.

Some children are currently using an out-of-date version of Times Tables Rockstars.

It's important that you use the latest versions of the app and website to ensure you receive the most secure, feature-rich and enjoyable experience. Some of the versions are so far behind that they're missing out on key updates.

Solution - visit play.ttrockstars.com/reset to load the latest version in your device's browser. Otherwise update the Times Tables Rock Stars app from the app store.

Kind regards,
Miss O'Hara
