

24th February 2023

Dear Parents/Carers,

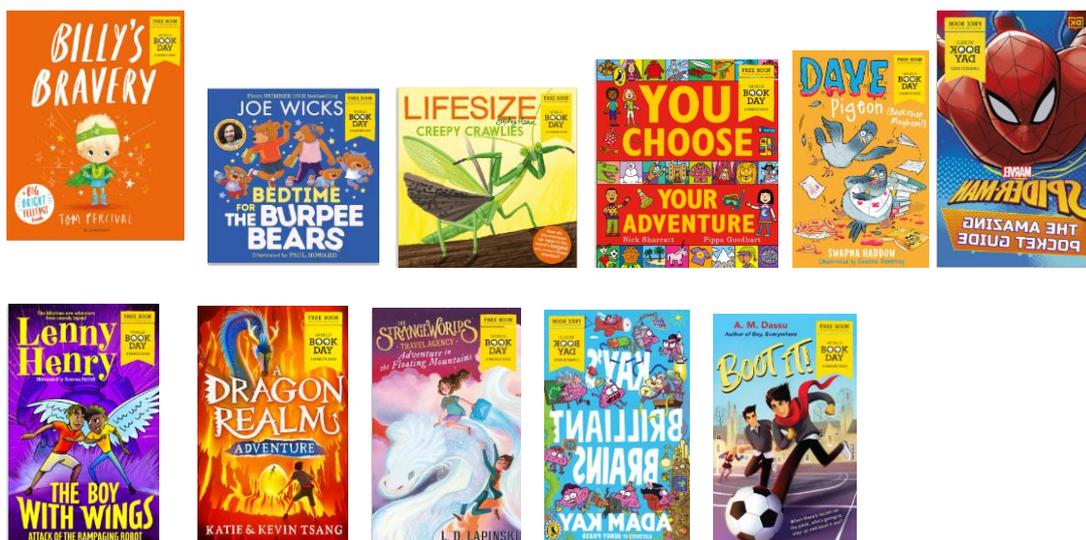

World Book Day – Thursday 2nd March

To celebrate this year's World Book Day on Thursday 2nd March, we would like the children to come to school dressed in a costume to represent a word. Our whole school focus is to develop the children's use of new vocabulary, and this will be an ideal opportunity to share new vocabulary across school. The younger children might like to dress up in a costume they already have and add a word such as: superhero, powerful, glittering, or magical. Older children could choose a new word they have been introduced to in class or one of their own ideas, such as: vivid, unique, regal, monochrome, or disguise. Further ideas can be found when searching 'Vocabulary parade' on Google.

On World Book Day the children will also receive a £1 token to use at a book shop to buy a book from a special selection. This year the titles the children can choose from can be found on -<http://worldbookday.com/books/>.

The children can exchange their token for one of these books (**no money is needed**):

Thank you for your continued support

Miss. S. Wootton
