Netball

On Thursday 2nd February Burnley Brow netball team competed in an Oldham schools' netball tournament. The team performed unbelievably well and won the tournament. They won all of their games and did not concede a single goal! The scores were: 2-0, 1-0, 2-0, 4-0 and 3-0.

The girls were elated following the competition and had these things to say:

Simrah 6J – I couldn't believe it, I felt like I was going to burst with excitement. I used to be scared of the ball but now I love netball.

Sahera 6G – I think we all worked really well together and had good passing and communication.

We are really looking forward to taking the girls to their next competition and we are in the process of arranging some friendly games against Mills Hill, Yew Tree and Thorp Primary School.

Miss Hulme and Miss Green.

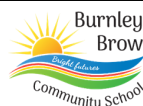

NSPCC Number Day

On Friday 10th February, we had a fantastic day raising money for the NSPCC!

The children enjoyed taking part in lots of fun Maths activities across school and our 'Dress up for Digits' theme was a success!

Thank you for your donations and your continued support.

Vikings

Year 5 had a Viking visitor in school before half term to bring our Viking block of work to a close.

The children loved recreating the Battle of Hastings and becoming Viking brothers.

One of the children said, "Bjorn was a great Viking who showed us axes, shields and how to fight like a Viking!"

Ishan really enjoyed learning new information about the Vikings from Bjorn, especially how Vikings used to clean their ears.

He couldn't believe it when Bjorn pulled out a small spoon made of deer antlers. The Vikings used to scrape dirt out of their ears with this little spoon...yuck!

Ibrahim held the large axe and said, 'It was heavy and it felt like I was a new warrior!'. He wasn't able to hold the axe for long but it was great fun trying out all the different weapons that Bjorn brought in for us.

Parking in the school Carpark

When you pick your children up after a club at the end of the day, please make sure you park in a bay and walk to the office to collect your child. We have had parents who are parking outside the entrance and calling for their children from the car. This is dangerous. Please park in a bay and come and collect your child from the staff member. There is a 5mph speed limit in the carpark. Also remember the carpark is a staff carpark and should not be used by parents during the school day.

Your child will also need a card with the word on it. All children will receive a book token to exchange for a free book.
