Linking Project

On Monday 6th March, 5G visited the Oldham Gallery as part of the Schools Linking Project. We met with the year 5/6 class from Medlock Valley and took part in a collaborative art project. We worked together in mixed groups to look at the history of our town of Oldham and created two banners celebrating where we are from and what we represent.

Fokrul – I really liked the trip because it was lots of fun. My favourite part was when we were able to make the crafts for the banner.

Samia – I enjoyed the trip and liked meeting new people. I made new friends who were different to me but I had lots of things in common with them. I am looking forward to seeing them again in their school.

World Book Day

We had some amazing costumes for World Book Day. We hope you have used your token to get a book.
