Home

We will be learning the poem 'Home' by Nancy Vandenberg. Here are the words.

A home can be made of sticks and mud
Or great big blocks of snow.
A home can be twenty stories tall
Or in the ground below.
A home can be way up on a hill
Or next to the ocean wide.
A home can have a mill above
Or a chimney on its side.
A home can be where you're safe and sound
Or with family, friends and more.
A home can be where you have your heart
And all the you adore.

Houses in the Past

In the past houses were very different. The toilets were outside and there was no electricity. People had to use candles to light rooms at night. There was no heating so people had to light fires in a fireplace to keep warm.
