Dear Parents/Carers,

You may have heard about the government's new wraparound care initiative for primary school aged children that will start to be rolled out from September 2024. The vision for the Government, is for all school age children to have access to care outside of school hours from 8am- 6pm. Wraparound care includes breakfast clubs, after school clubs and other school services.

We need to get an understanding of what the demand for wrap around care is at this school and if there are any unmet needs. We have put together a short survey and would appreciate if you could please complete this by 5pm on 31st October 2023.

The link to the survey can be found [here](#)
