Chadderton Community Church

As part of our SMSC week in March, we helped to raise money for Chadderton Community Church to help support the local community. Head Boy Zain said, "It is great that we can help people who might not have much food in their cupboards. I am glad that we have helped raise money that will really help people."

The children had a non-uniform day and brought in a donation. We raised £600 for such a great cause and the Head Boy and Girl and their Deputies delivered the cheque to David Saville at Chadderton Community Church. Head Girl Kolsuma said, "I was proud that we raised £600 and that it is going to lots of different projects as it will help more people."

David said that it was an amazing amount of money which he would split up and use on different community projects.

On 16th May 2023, the children in year 5 visited Oldham Gallery as part of their history topic exploring what made Oldham the biggest cotton spinning town in the world.

In the afternoon, we had the opportunity to explore the exhibitions in the gallery and spent an hour in the library, looking at different books and listening to a story.

Mohammed – I enjoyed looking at the sources to learn more about Oldham in the past. My favourite was the lamp because it was interesting and I haven't seen one before past to help us answer our questions.

Community Fridge

On Wednesday 24th May, the children and staff were asked to donate food items to Community Fridge. On the 26th May, the Head Boy and Girl and their deputies delivered these items to Community Fridge at the Crossley Centre on Denton Lane.

They were shown around the centre by Naseem Ahmad and were told about some of the activities that go on there such as Brunch Club, taekwondo, and gardening. He told us that in the future he would like to create a sensory garden and to grow more fruit and vegetables. Head Boy, Zain said, "I was very surprised by the amount of food that gets given out each week – he told us it was approximately 11,000Kg!"

Deputy Head Girl Sahira said, "It was good that it is more than a food bank; it was also a warm place to come to as well as somewhere people can relax or get some advice."

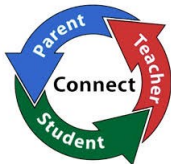

Warm Weather Uniform

Children can wear a white polo shirt or shirt, a yellow or purple summer dress or shorts and a cap or hat. Children do not need to bring their sweatshirt but can bring a light shower proof coat. Year 6 should wear a white shirt and tie and do not need to bring their hoodies or sweatshirts. Please remember to put sun-cream on your child in the morning. Children may choose to bring a bottle of water but no juice. Water is available in school all day.
