

Dear Parents/Carers,

This half-term the children in Year 4 have been participating in the Hummingbird Project. This project is a positive education intervention designed to give children the tools they need to be as happy, healthy, and productive as possible.

On Monday 5th February, we will have extra visitors in school who will be taking photographs that will be used for promotional purposes on social media.

You have already given school permission for your child to have photographs taken.

Please tick below if you **DO NOT** wish your child's photo to be used.

Thank you for your continued support
