Kind Regards

We look forward to seeing you.

Entrance will be via the Nursery door at the front of school.

You will then be given the opportunity to put this into practice by listening to your child read.

On..... at 2.50pm, we would like to invite you to come into school to learn about how to support your child with their reading at home. We will talk to you about the things you can do when listening to your child read before, during and after they have read the book.
